CHAPTER

(Nine)

THERE IS
NOTHING
FASTER
THAN
LIGHT

Alright... this
obviously is
a misunderstanding.
Why go after **me**?
What'd I do?

For a long time, you
have been tracked by the
Marines since you
killed the Royal
Cake Family of
the Sea of Treats.

MARINES

HUH?!

That was
over 7 years
ago, and the
Royal Cake
Family was
terrorizing the
Sea of Treats
anyway!

Maybe so... but
you still killed a
part of Royal Family.
The King, Queen and
heir.

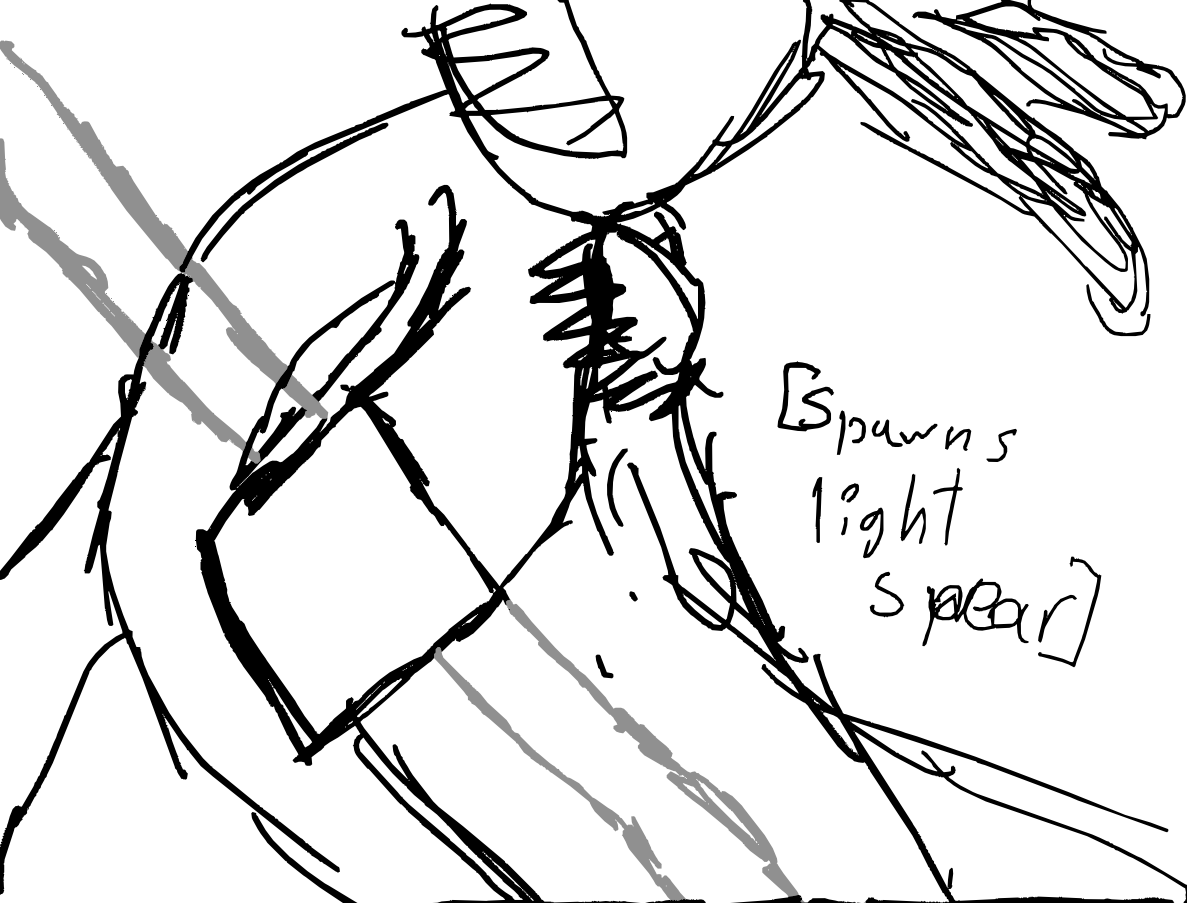

In other words, the
most important part of
the family, which is why
I'm here to capture you
so you won't do any more of this!

ST AM ADMIRAL
STARLIGHT!!

**Admiral
Starlight**

The Fastest
Creature
on the planet.
And user of the
Light Fruit

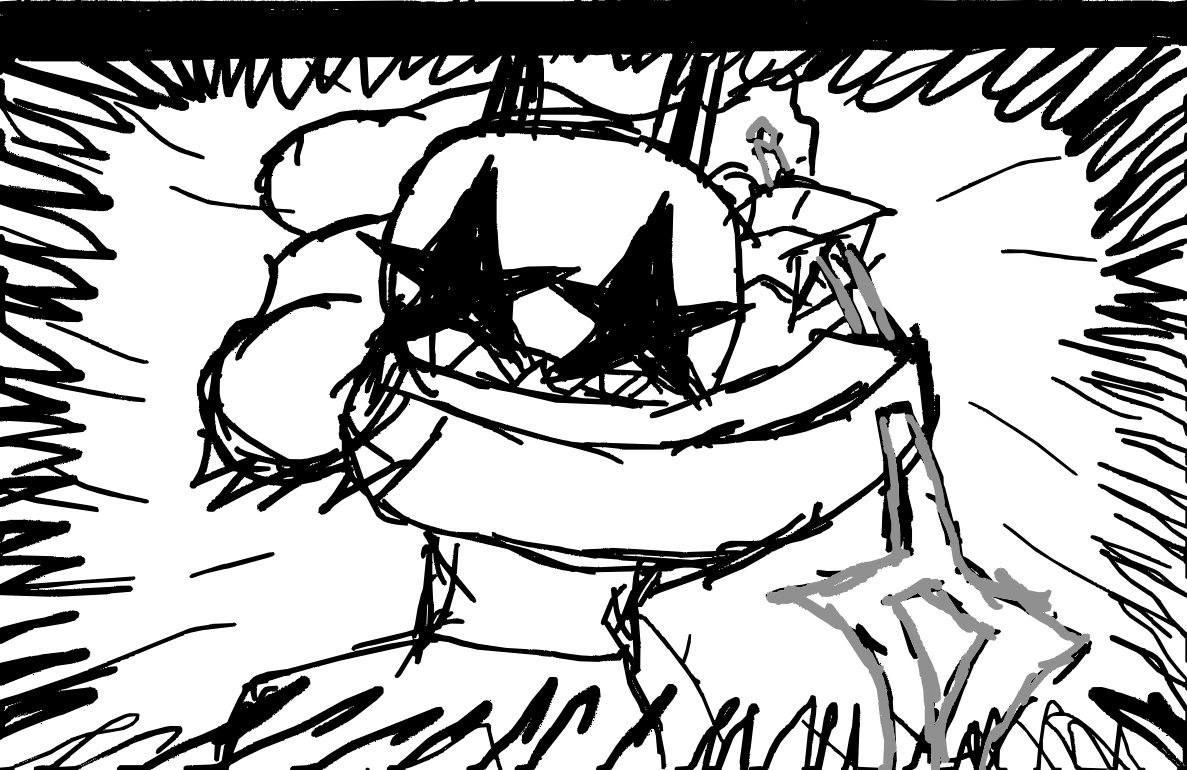

[Spawns
light
spear]

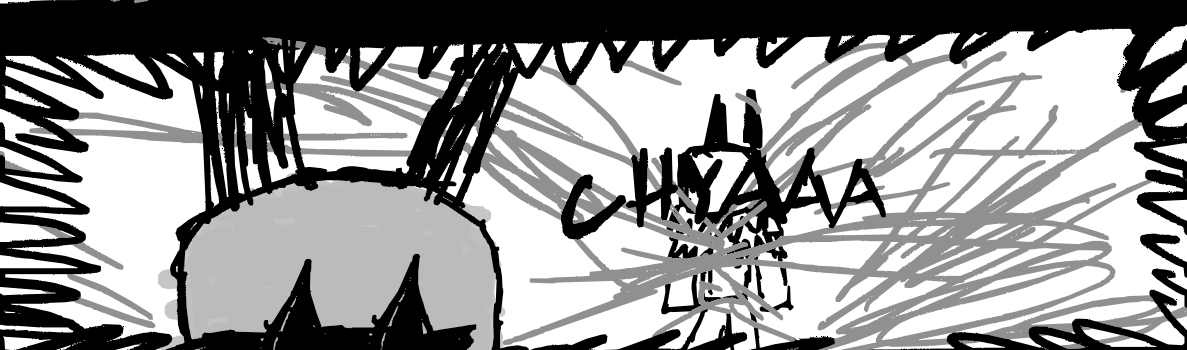

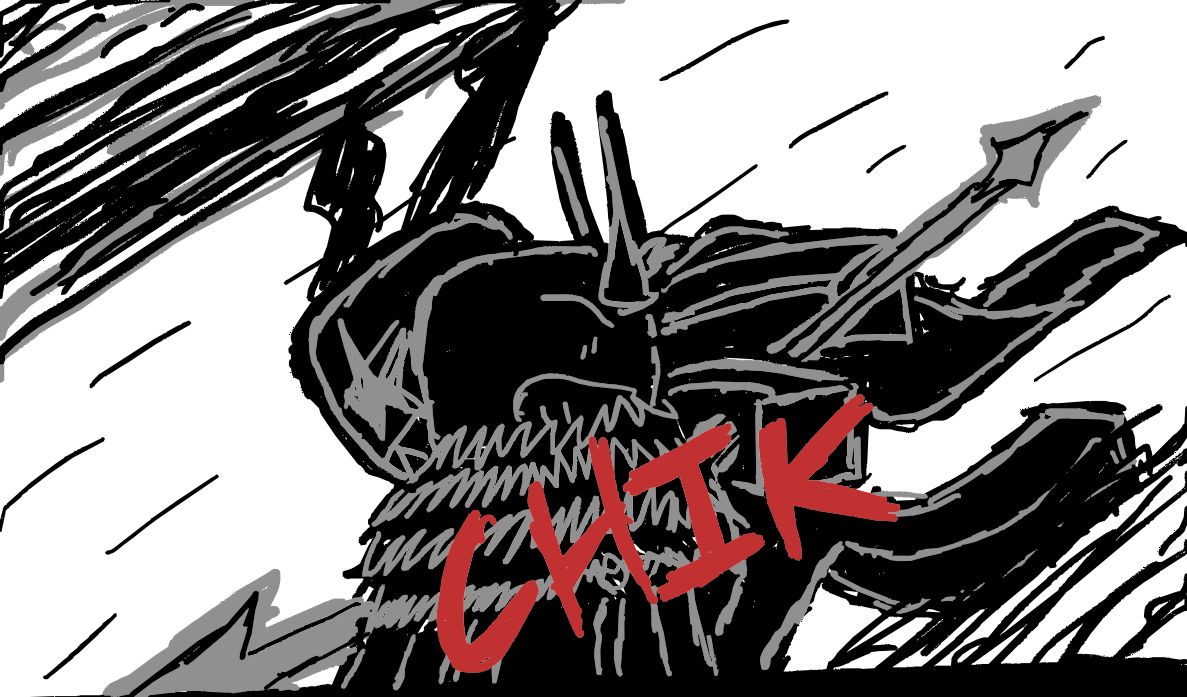

But I hav-
ent done any
more royal
killing!! Don't the
Marines value
integrity?!!

SHUT UP!

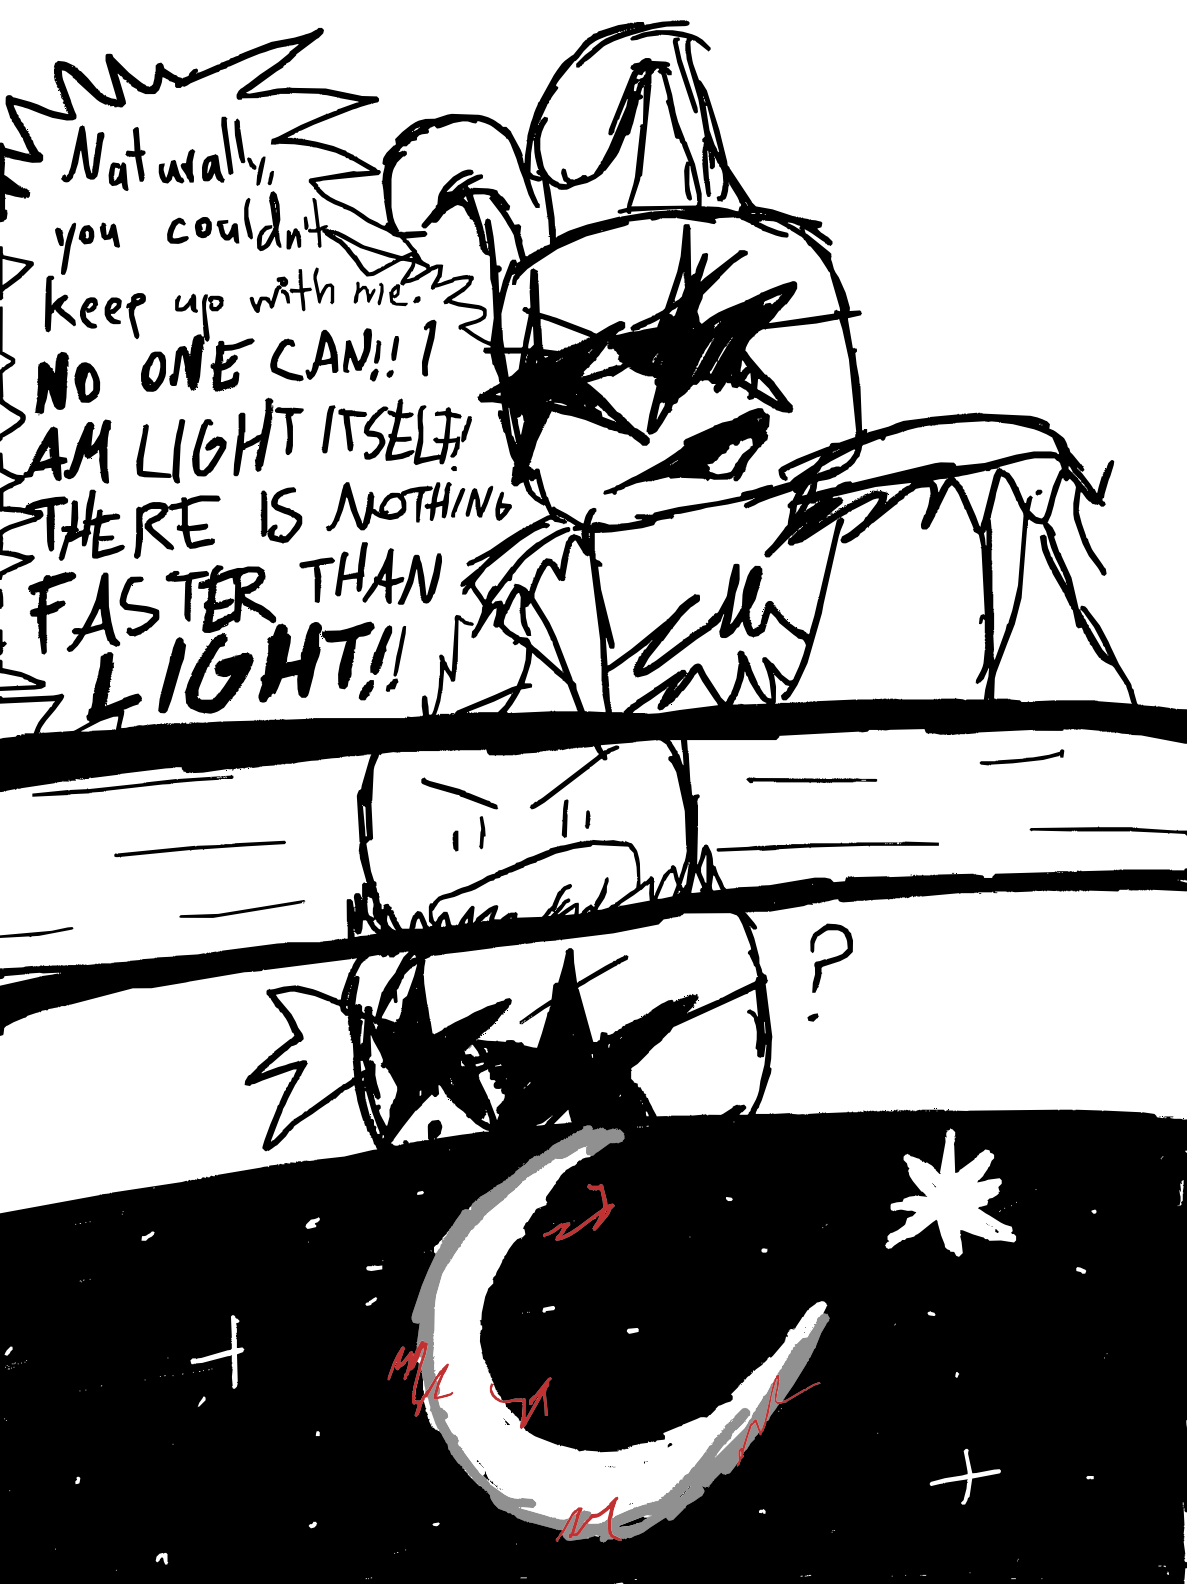

Another
criminal
down!

YAHAHIA!!

THUD!

Now I'll order
the Marines to
capture you,
or something.

Naturally,
you couldn't
keep up with me.

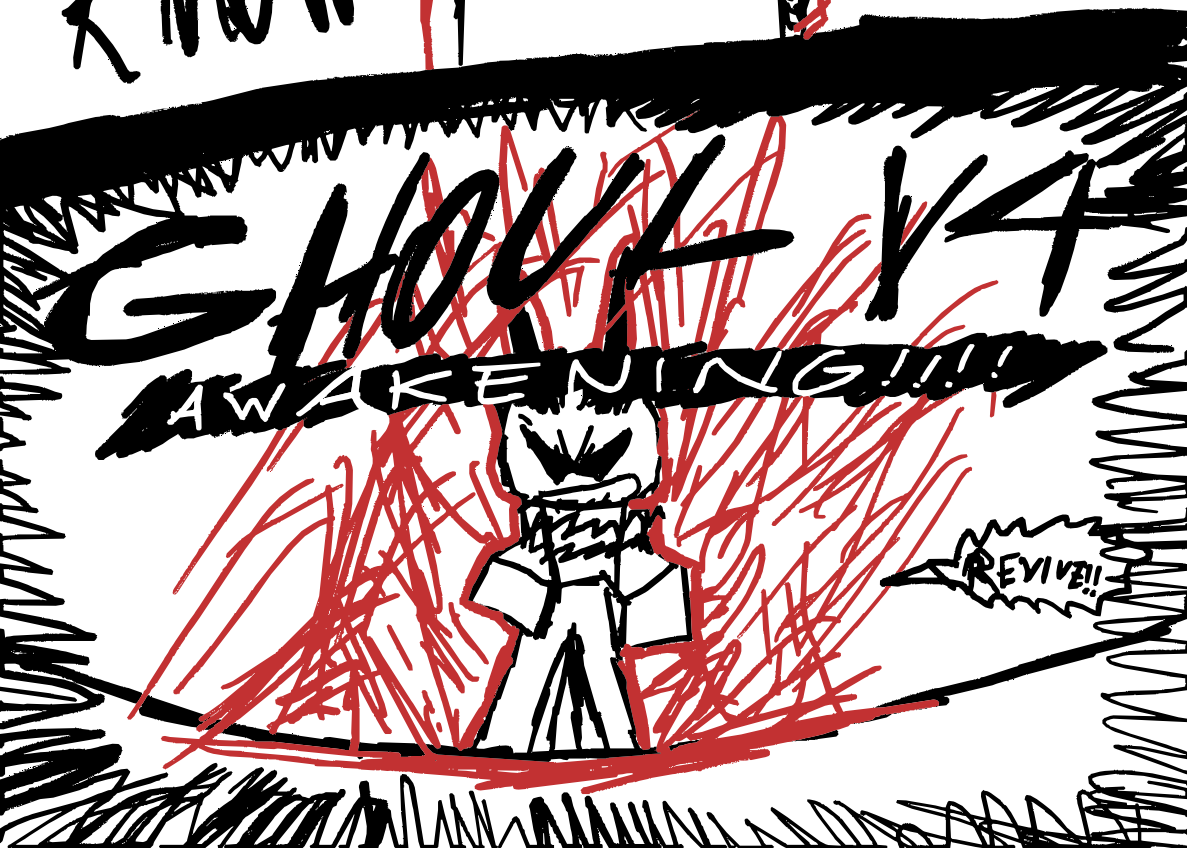

NO ONE CAN!!
I AM LIGHT ITSELF!
THERE IS NOTHING
FASTER THAN
LIGHT!!

DO
YOU
EVEN
KNOW...

...WHO
YOU'RE
UP

By using Instinct,
I can focus on his
attack pattern better
than ever! Which
means that...

I can dodge his attacks!!

YOU'RE UP
AGAINST!!!

TRY
HITTING

Oh, you think
you're so
high and
mighty just
because you
know instinct?

Yep, I agree
that it's us-
eful, but I
know just how
to counter
it, capisce?

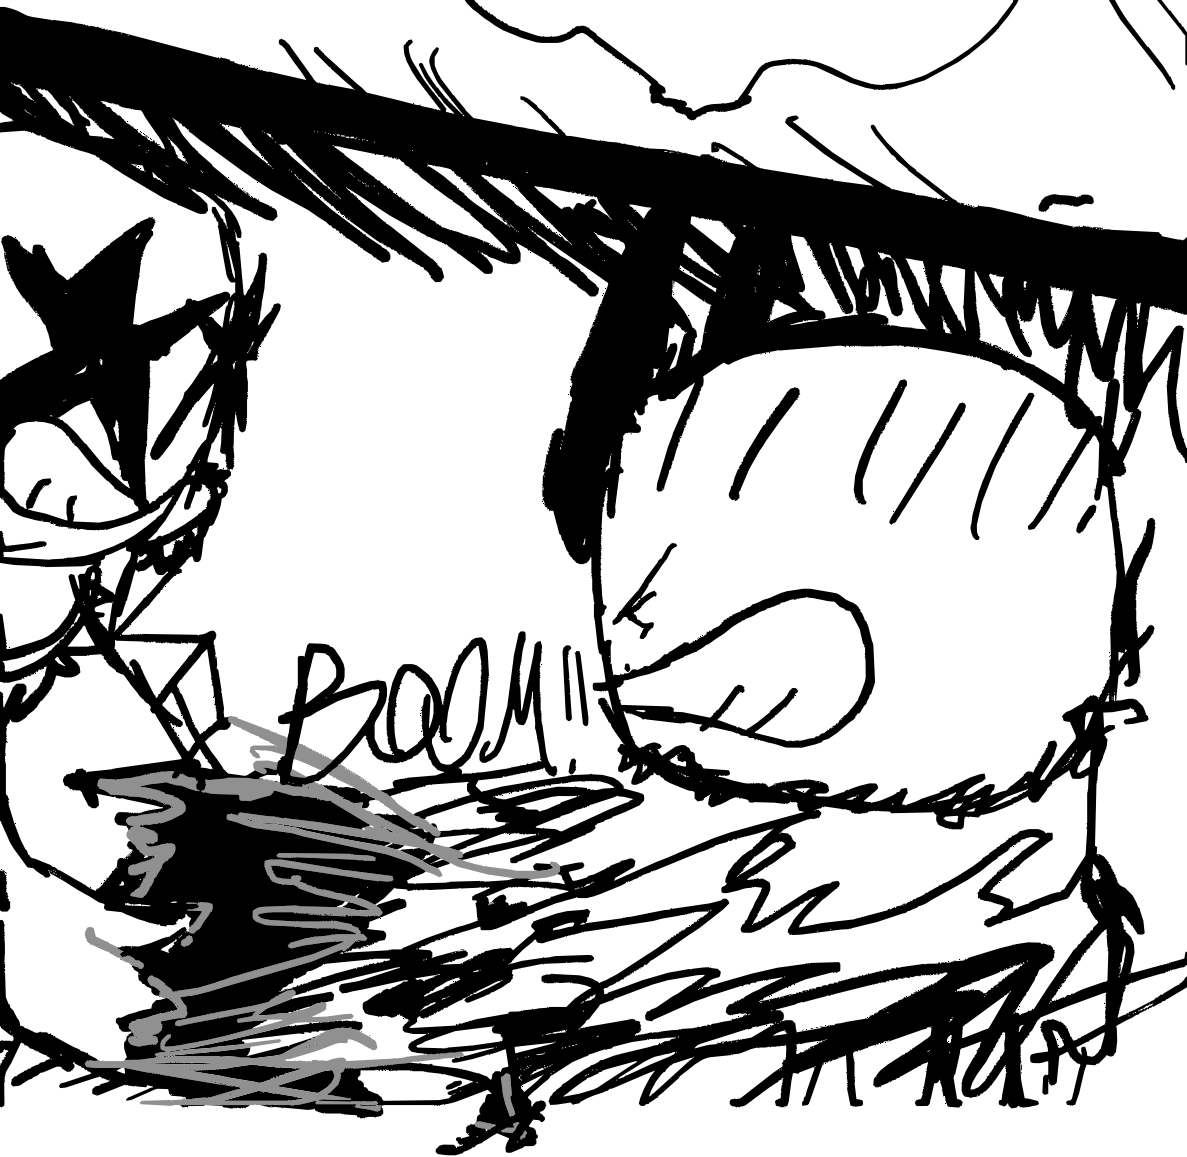

>Turns Aura on<

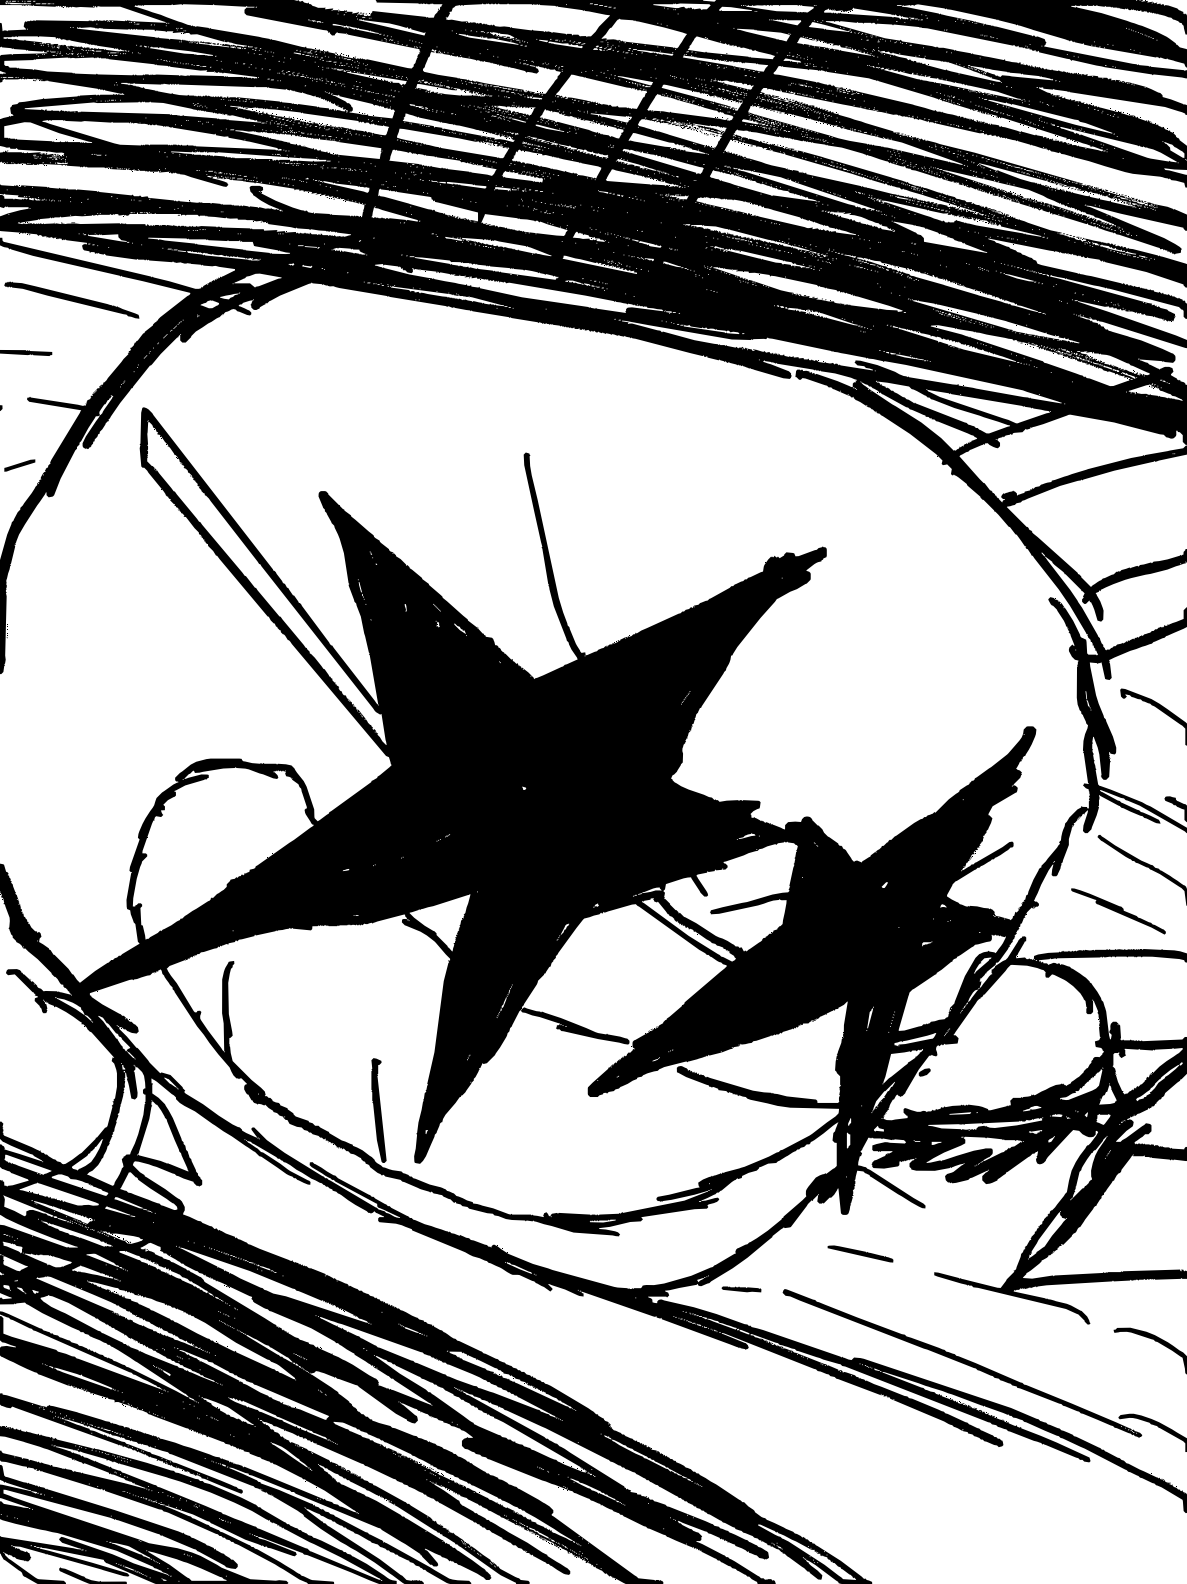

WHAT?
He knows how
to use Aura?!

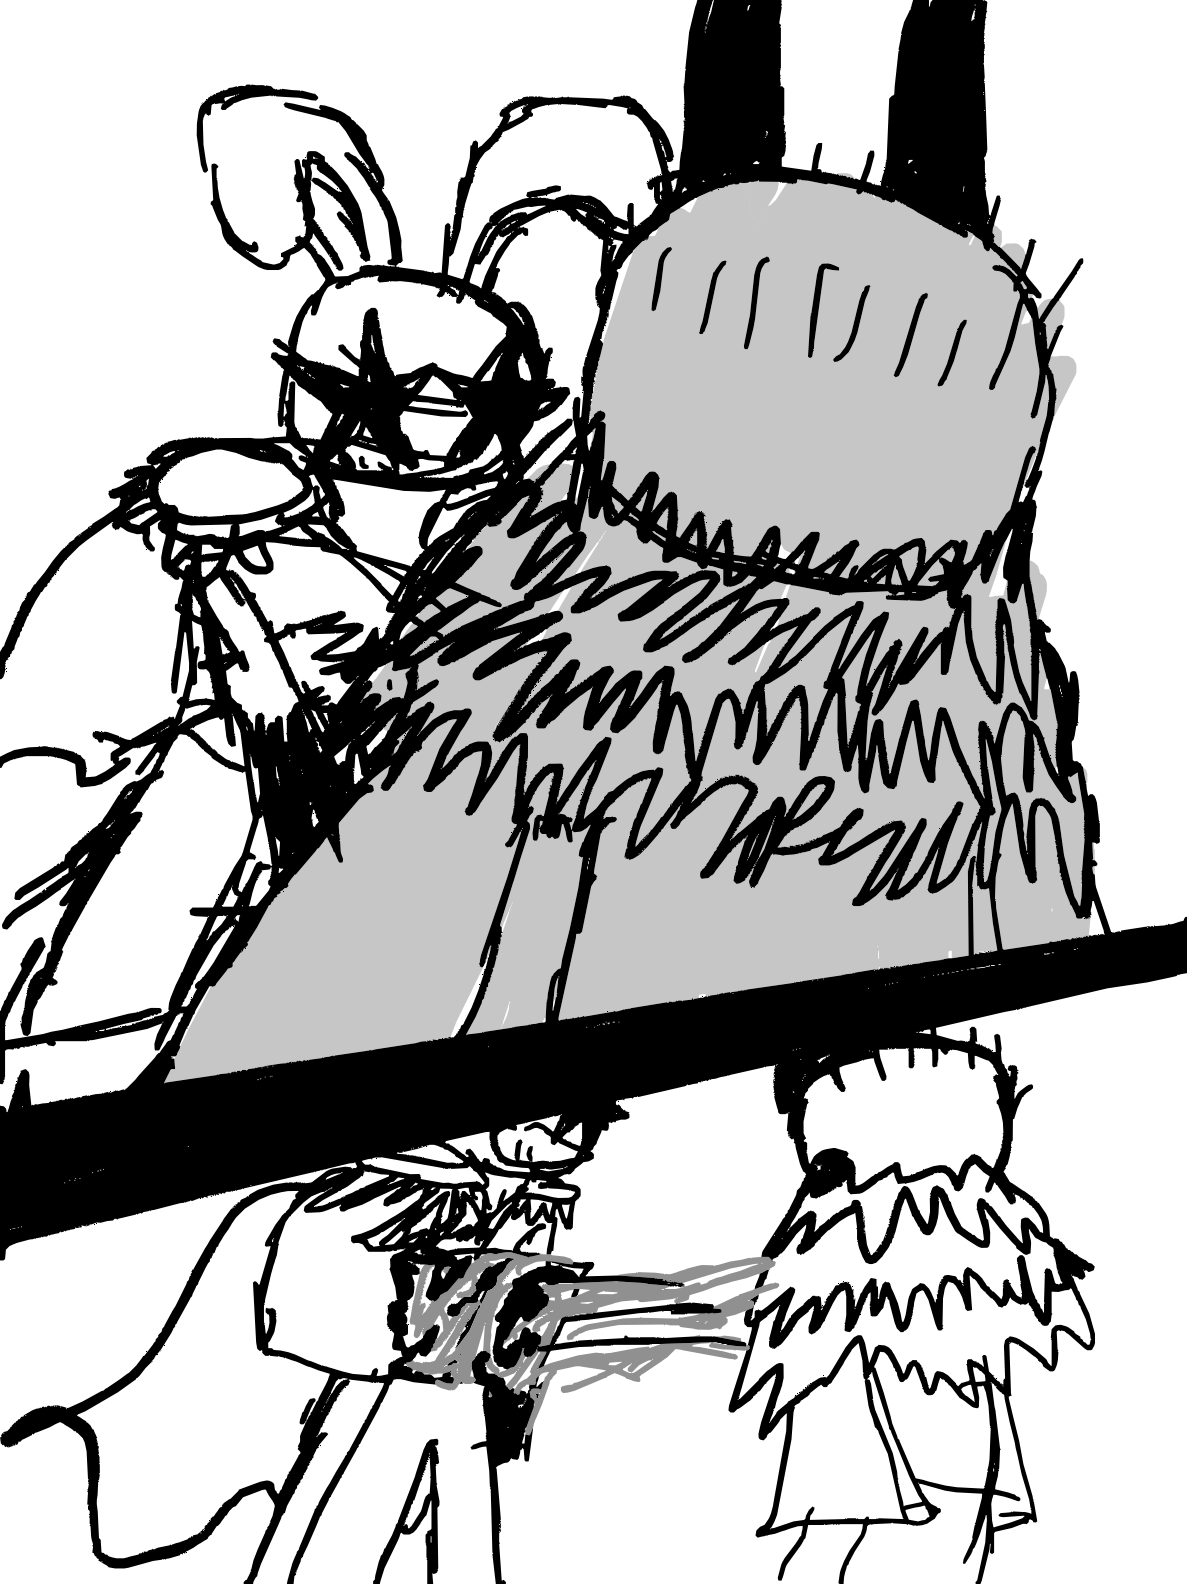

I didn't
account for
that!

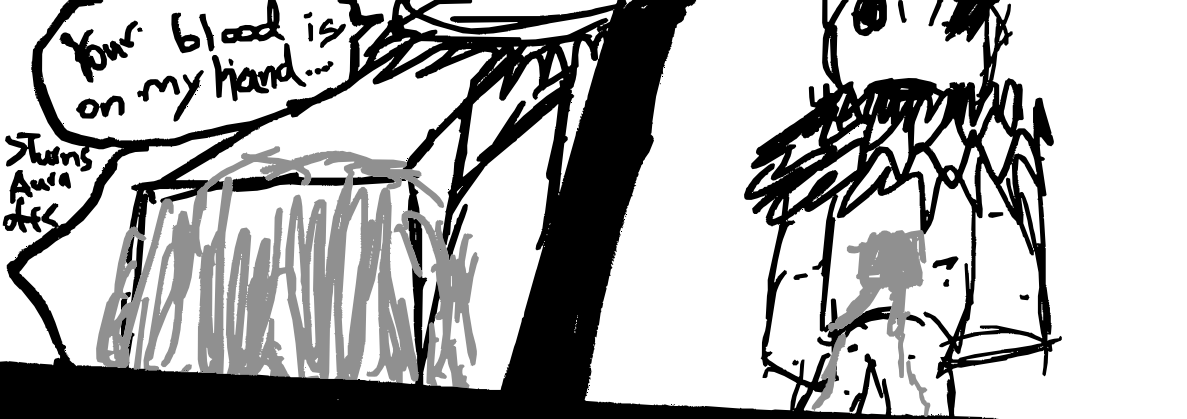

ACK!!

Blacking...
Out...

His punch... so strong!

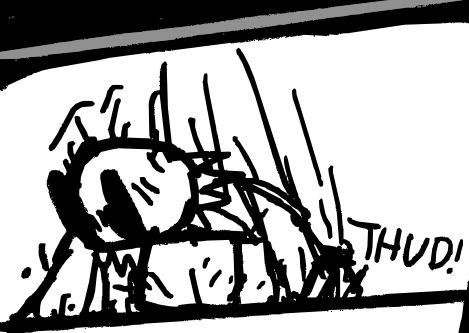

How am I blacking
out to a single punch?

Although... It's blacker
than usual now...

And why am I losing?

Tha-
It's what
I thought
YAHHAHAHA

Darn it! I should've
expected him to have
knowledge of Aura and
Instinct! This is absurd!

Is this how I'll
die? Is this how
I WANT to die?
Did I live
properly?

Is this... The End?

No! I can't die like this!

I'M GONNA DEFEAT THIS
ADMIRAL!

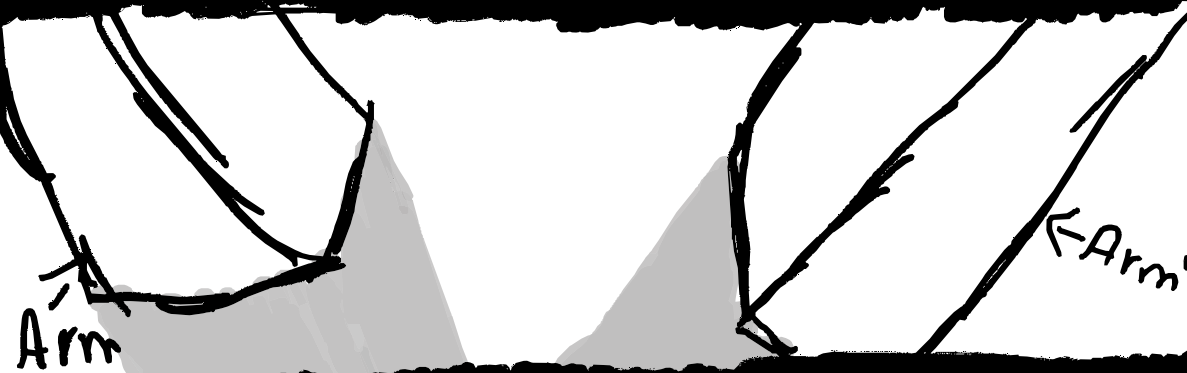

ONE PUNCH IS ALL I N-
EED, I JUST NEED TO USE...

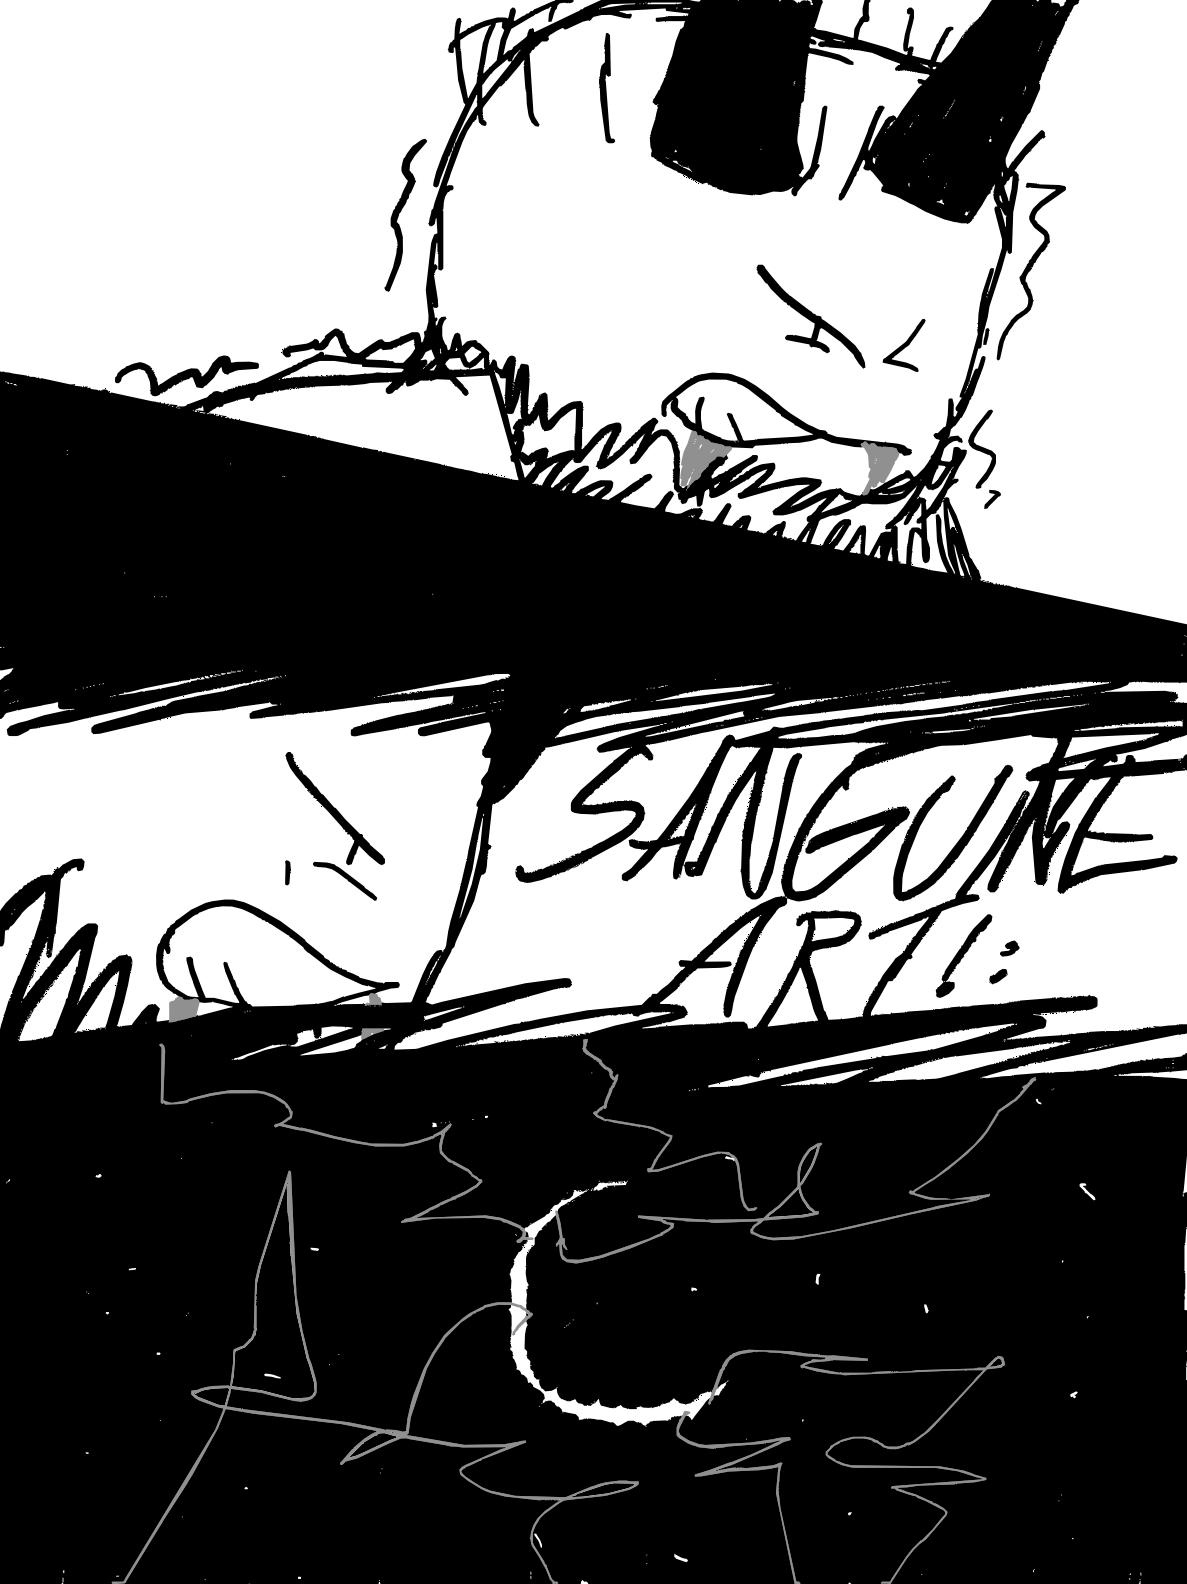

SANGUINE ART!

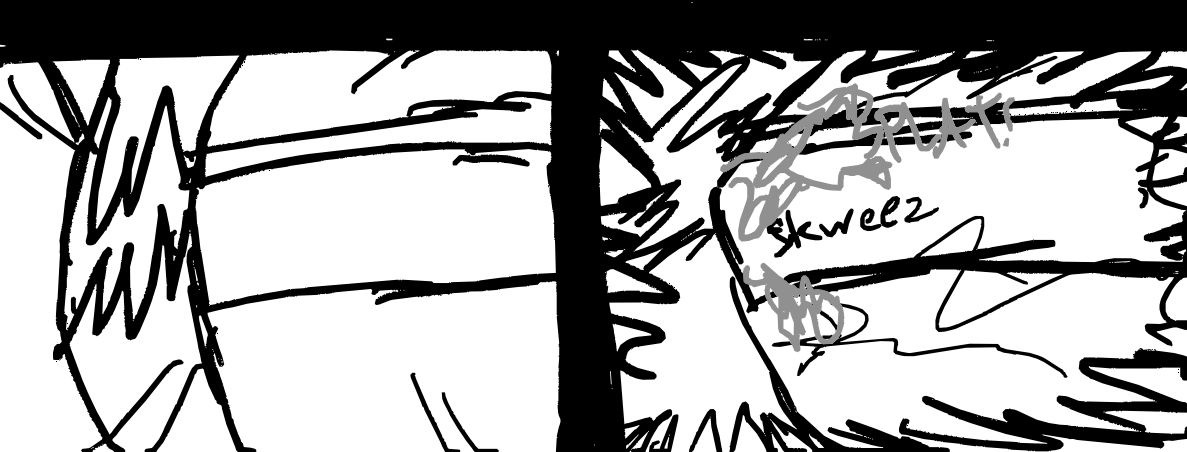

Yes! That's it! I'll use Sanguine Art, the Art of Ghouls, to bring myself back into the fight!

C'MON! ONE PUNCH!
THEN MY HEALTH WILL
RESTORE ITSELF!!

(Because of Sanguine Art's health leech)

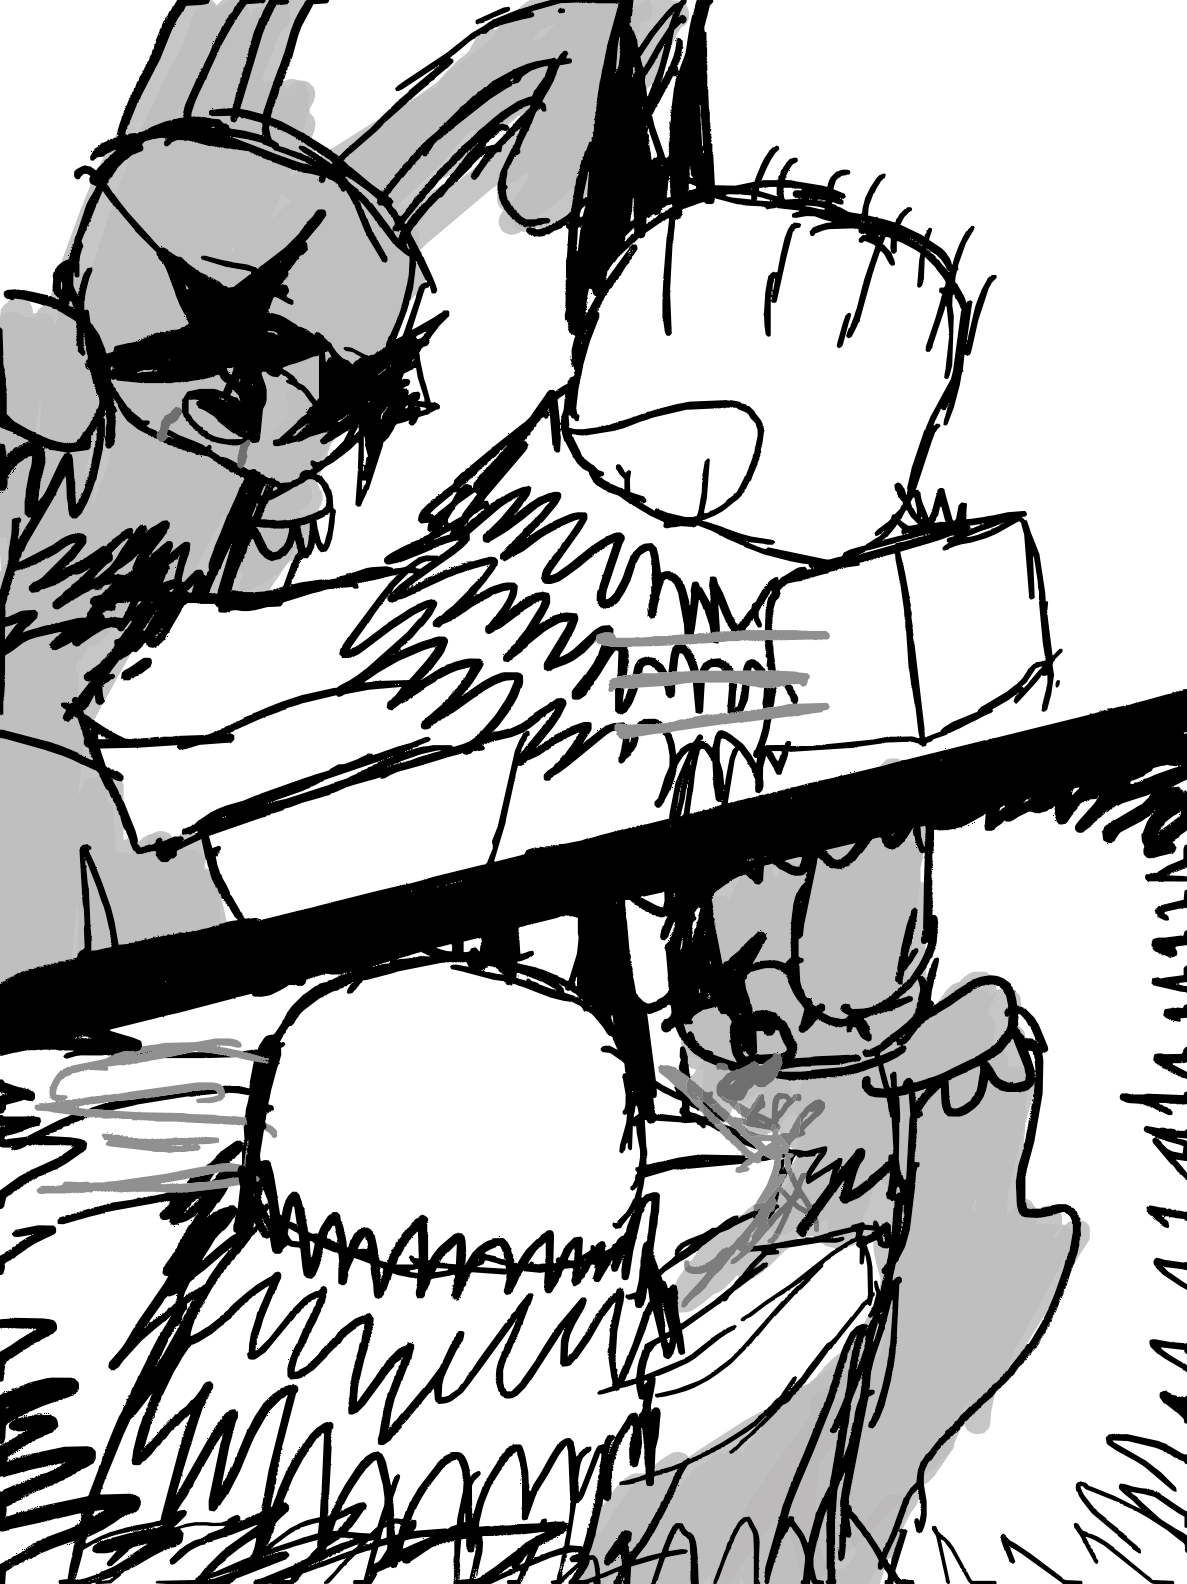

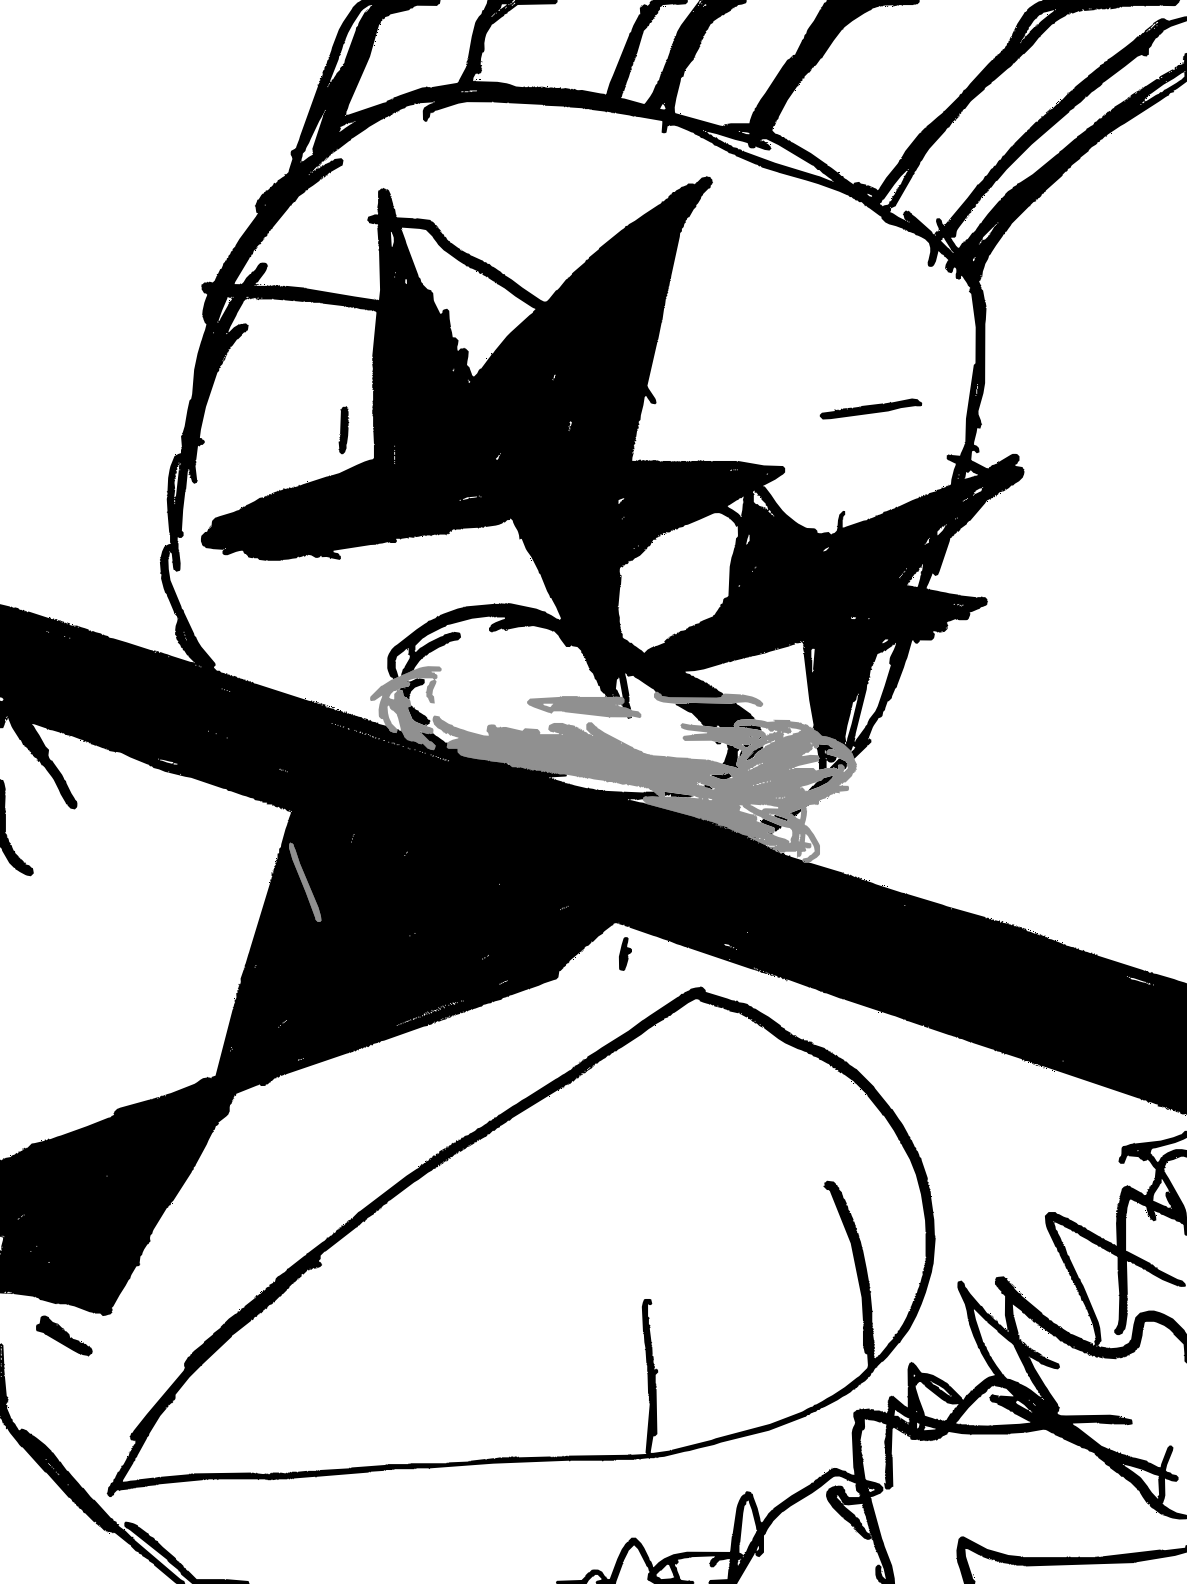

(Bloodbane Drain)

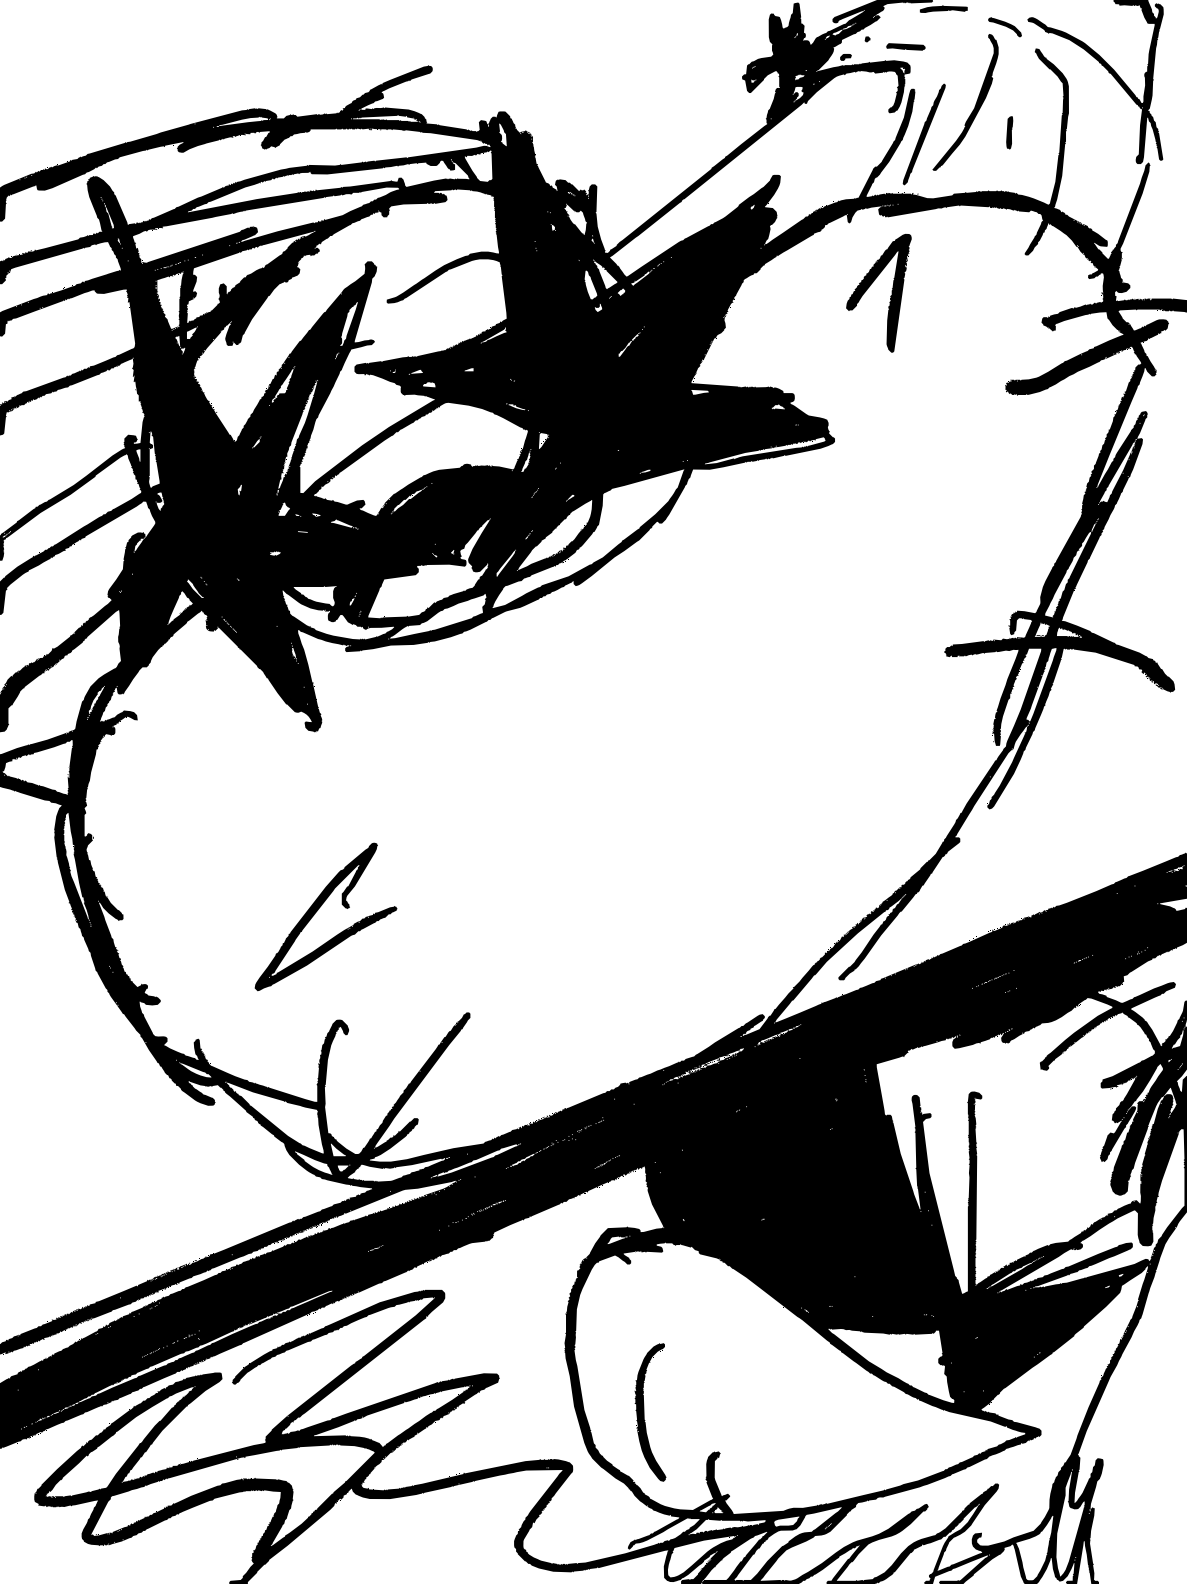

NOW!
PIER-
CING
CLOTHES-
SLINE!!

Hehe

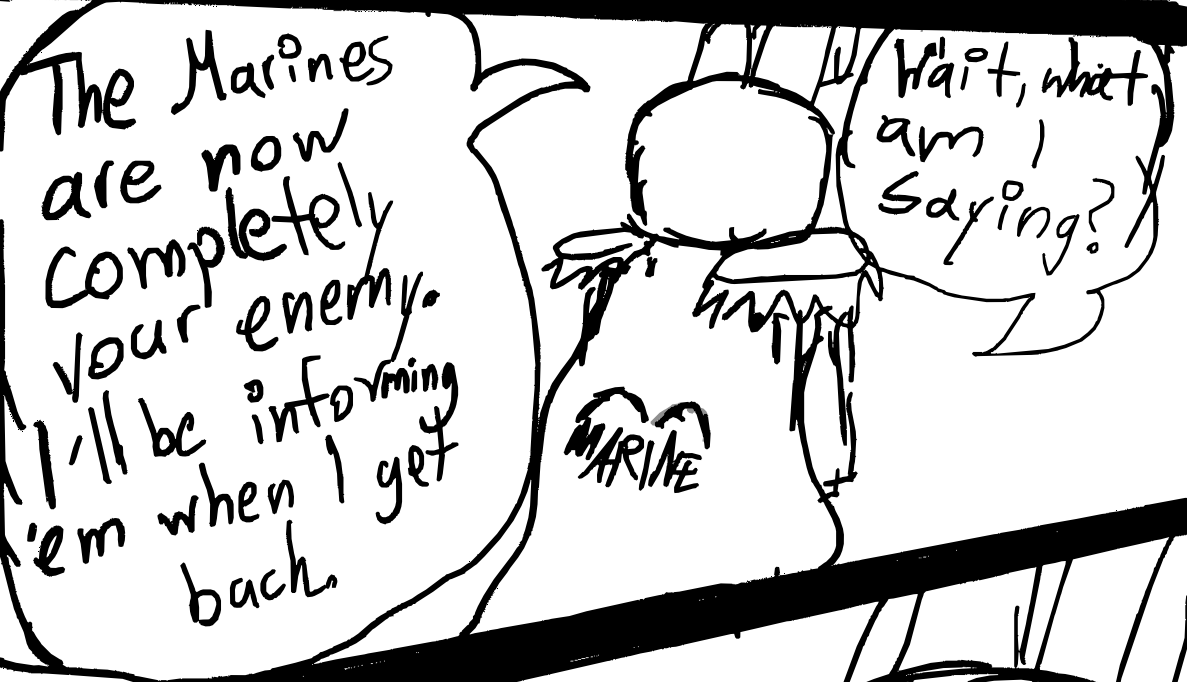

Oh yeah?

And so what if I did?

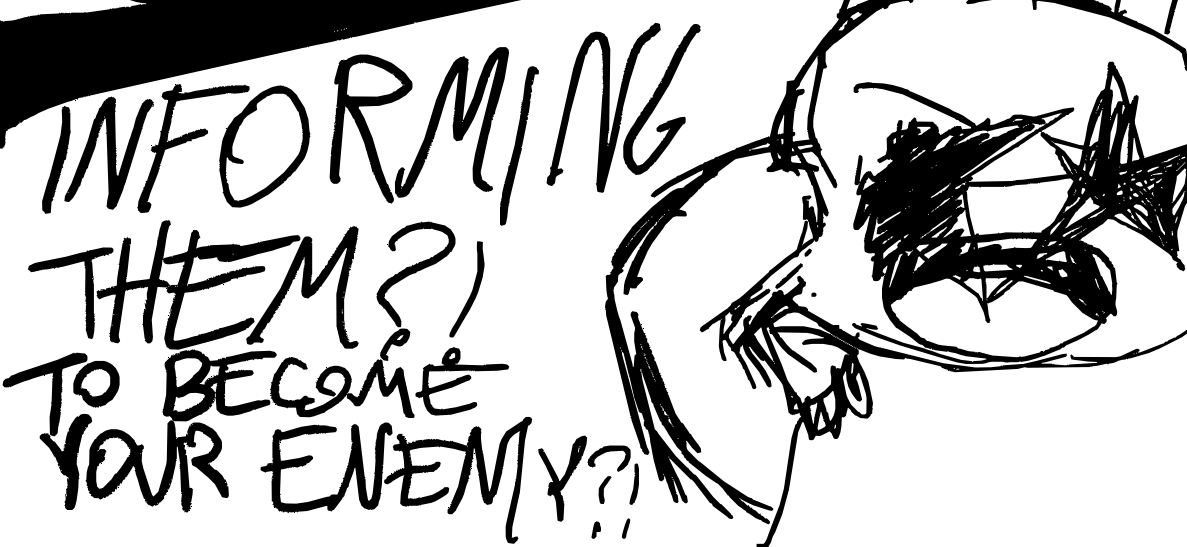

Fool.

The Marines are now completely your enemy. I'll be informing 'em when I get back.

Wait, what am I saying?

INFORMING THEM?
TO BECOME YOUR ENEMY?

YAH HAH HAH!!

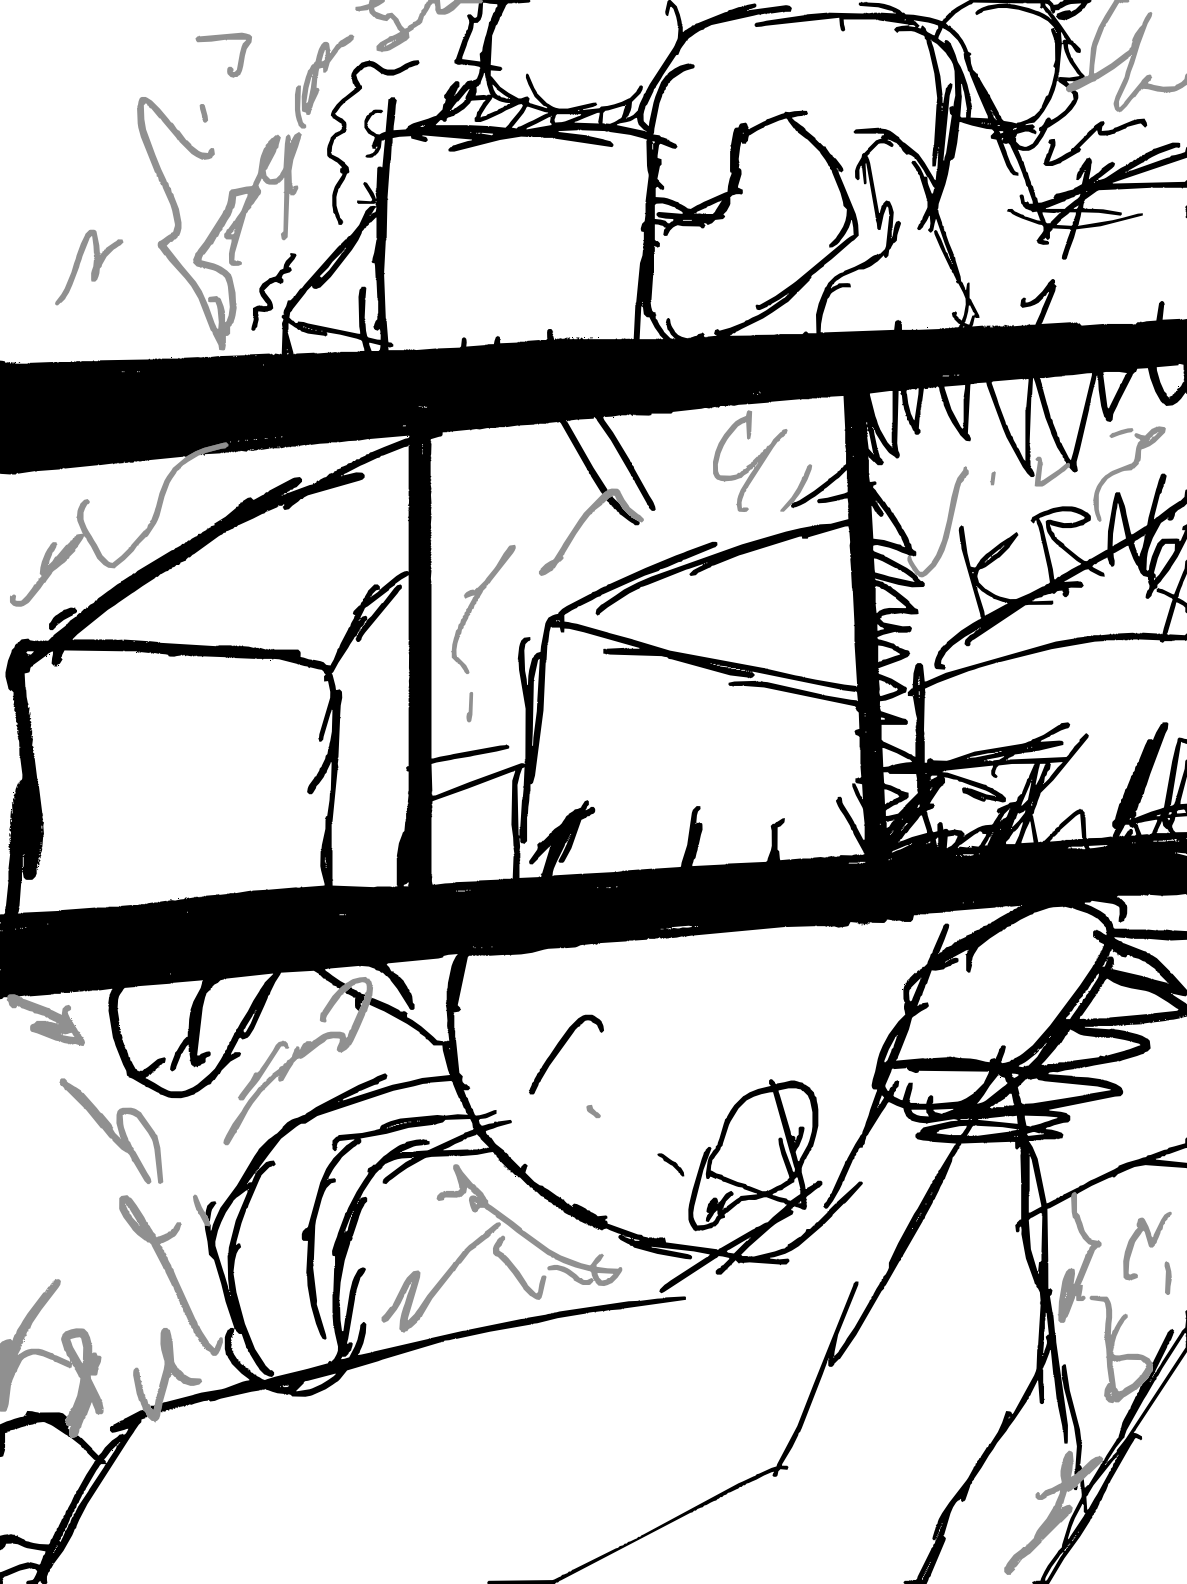

YOU'LL BE
DEAD WHEN
I'LL GET
BACK!!
